

Hired Amber in June 2018

Amber helps Altimetrik engages with employees across 16 locationsle

Challenges

- ✗ At 1:400 HRBP:employee ratio, real-time connect with employees was difficult
- ✗ Feedback mechanism to understand employee experience was ad-hoc and not scalable
- ✗ Lack of a tracking system to monitor Top-talents' experience

Solutions

- ✓ HRBPs gain insights on employee experience directly in their inbox
- ✓ Structured 1:1s scheduled with employees straight from the platform
- ✓ Watchlists to closely monitor HiPo and take proactive measures
