

Amber helped Lenovo achieve 90% response rate

Challenges

- ✗ Absence of candid & honest feedback
- ✗ No insights into why people are unhappy & quitting
- ✗ Most people issues, major or minor, are unknown

Solutions

- ✓ Safe, personalized and non-intrusive 1:1s encouraging employees to open up and share what they feel at their workplace
- ✓ Unified dashboard to track sentiments and predict unhappiness/attrition across departments, top talent, & managers.
- ✓ Insights on early attrition cases and ability to take corrective action

“

People are comfortable talking to Amber—they are comfortable sharing their thoughts and what they are going through.
