

Real voices from HR Leaders **who've hired Amber**

“ Even if I **3x our number of HRBPs and they spent 4x the hours** with each employee, that kind of insight would never have come.

“ We've discovered the technology to [measure employee engagement] **better than just humans.**

“ We've deployed inFeedo across 130,000 employees & **those who interact with Amber are 2x likely to stay** at Genpact.

Piyush Mehta
Country Manager & CHRO

“ I really like how real time Amber is. **There are no tools that do what Amber does. Even Workday** surveys are not effective.

Tammy Smith
Sr. HR Manager

“ Love the reporting & analytics, **especially the auto-created multi-metric slides. Very helpful,** less scrolling and good insights.

Steve Mueller
COO, Human Resources

“ Amber's **AI capabilities make action planning remarkably simple** for both HR and people managers. It's a modern take on engagement and the benchmark we now use to evaluate all other technologies.
